## Preface

The 2022 *Drone Directory* is a compilation of 600 small uncrewed aerial vehicles (sUAVs). The selection illustrates diverse aircraft developers, typologies, and countries of origin. Additional information is in the *Drone Database* at <https://bit.ly/39BMOiJ> The Database, Directory and many other resources are on the *Aviation Planning* website at <https://bit.ly/3N5yVai>
